The Amildar solicited sanction to the sale, but in his hukum Dy 5-12-12, the Dy. increase is from Rs 426-2-0 to Rs 441-6-0, which does not call for any remark.

18. Under (2) Nityakatle, in the existing scale the inam lands at Haliyur yielding an annual income of Rs 222/- were left in the possession and enjoyment of the archak, subject to the condition that he should conduct the nityakatle services in the temple out of the income from the lands. In the revised scale, the lands have been taken over to the temple and leased out for 10 years and a sum of Rs 132 has been provided for expenditure.

19. Under (3) Hetelukatle, the increase is from Rs 27-8-0 to Rs 42, ~~the in~~ being due to additional provision made for Upakarma, Anantachaturdasi, Deepotsava, Kaumudi-jayanti and Dhanurmasa.

The increase under Contingencies is from Rs 1-8-0 to Rs 6-0-0.

22. A fresh provision of Rs 50 per annum has been made for petty annual repairs in the revised scale.

P 23. In the statement furnished by the Amildar a sum of Rs 1650-13-9 has been provided for expenditure, whereas in the statement signed by the Dy. Court, the amount given is Rs 1653-5-9, the difference being Rs 2-8-0.

24. In the former statement a provision of Rs 4 has been made for cart-hire for bringing sandalwood from Sandalkoti at Shimoga, which has been omitted from the latter.

25. A sum of Rs 6-8-0 has been added in the Dy. Court's statement for certain addl Utsavams, which do not find a place in the Taluk statement. Deducting Rs 4 from Rs 6-8-0, the difference of Rs 2-8-0 pointed out above is accounted for.

Again in the statement of Receipts sent in by the Amildar, a sum of Rs 95/- is shewn as the income from Kanike, whereas in the statement sent by the Dy: Court, the income from that source is shewn to be Rs 110, the difference of Rs 15 ~~being~~ under this head accounting for the same difference between the total receipts

Office of the Deputy Commissioner,
Shimoga District,
Dated Shimoga, 6th May 1913.

From

K.Srinivasa Row, Esquire.,
Deputy Commissioner,
Shimoga District.

To

K.R.Srinivasa Iyengar, Esquire., B.A.,
Offg. Secretary to the Government of Mysore,
Muzrai Department, Bangalore.

Sir,

I have the honor to state that the Temple of Sri Lucharayaswami at Shikarpur is endowed with inam lands in Shikarpur Taluk and Kursi Sub-Taluk, yielding at present a net income of Rs.1193-9-1 (vide appendices A and B). The present annual expenditure of the institution is Rs.851-2-0.(vide apperdices B.C and D)

The main source of income of the institution is the village of Liluvagalu in Shikarpur Taluk which has been surveyed and settled, and the accounts of which are maintained as for Government villages. Some of the minor inams are in charge of the archak and other upadhivantas and the rest are under the direct management of Government Officers as detailed in appendix A.

The

3. The several upadhi services in the temple which were originally detailed in Bhakshi Ramchandro's patti were revised by the Huzrai Secretary in August 1894 and the present scale of services in the institution was sanctioned in the Huzrai G.O. dated 3rd August 1894. The appointment of 1 pradhan 1 Deshpandya 1 Kulkarni 1 Joshi 1 Purohit 1 Vedmurthi 1 Ganapathi 1 Shastri 1 Puranik 1 Bhajantri 1 Nagarchi 1 Mashalji 1 Chopdar 1 Dhotrawala 1 Palkhi bearers on an annual salary of Rs.12/- was sanctioned and paid to the Chief Commissioner's order No.1497/M.A.91 dated 7th August 1897. The original authority for the entertainment of a Vibhooti Rakhwaleer in the temple is not forthcoming, but sanction for incurring a total expenditure of Rs.390-2-0 on account of establishment included in them and Rs.329/- on account of special services in the temple was sanctioned in the Huzrai Secretary's docket No.1747 dated 20th September 1906.

4 It will however be seen from appendix B. that inclusive of the salary of Rs.36/- paid to the Sweeper of Srinivasa Devaru temple at Belagavi from the funds of this temple (vide G.O.No.1708 1201 dated 16-9-1908) the present scale provides for an expenditure of Rs.415-7-0, although the actual expenditure has always been less than the amount sanctioned in the docket of 20th September 1906 referred to above, owing to the vacancies that have occured occurred by the death of some of the servants of the temple and the continued absence of others.

5. During the recent years there have been repeated complaint

of

of the inadequacy of the salary paid to the palanquin bearers consequently the subject of the revision of establishment of the institution has had to be taken up.

6. The subject has been discussed up in all its aspects by the Dharmadarsis of the temple in their meetings held on 5th December 1910 and 30th December 1913, as the result of which, the following proposals have been submitted by the Amildar.

(a) Resumption of the service lands in the enjoyment of the archak and upadhivantas and remunerating them wholly in cash;

(b) leasing out such service lands on favourable terms for periods of five or ten years;

(c) providing a regular scale of expenditure for the daily and special services in the temple;

(d) providing enhanced salaries to the palanquin bearers and the sthanik (who adorns the idol every day) in addition to small increases of salaries to the upadhivantas by conversion of their salaries into round figures and avoiding fractions of rupees that no exist.

(e) abolition of services that have been found unnecessary and have not been performed for years together owing to the death or continued absence of the upadhivantas; and

(f) fresh appointments of persons for services which may become vacant owing to the above causes and the retention of which are desirable.

The

7. The Assistant Commissioner of Shimoga Sub-Division after a careful perusal of the records recommends the adoption of the scale proposed by the Amildar.

8. The right of cultivating for a period of ten years the katle lands in Haliyur village which have hitherto remained in possession of the archak was accordingly sold by auction by the Amildar. The sale has fetched Rs.252/- and one fourth of the sale amount has been recovered from the successful bidders and credited in the Taluk Treasury. After defraying the expenses for lighting and daily services amounting to Rs.132/-(vide appendix C), Rs.30/- on account of the salary of the archak and Rs.31-14-0 on account of the Jodi and cesses payable to Government, a sum of Rs.56-1-4 is granted to the institution. The right of cultivating the lands in possession of other office bearers will be sold on receipt of sanction to the proposals now submitted.

9. The scale of expenditure now proposed provides for a total expenditure of Rs.1030/-as against an estimated net income of Rs.1533-10-4 after payment of the annual Government dues on the temple lands, thus resulting in a saving of Rs.503-10-4 (vide appendix /D). Provision has been made for the remuneration of Rs.108-0-0 annually paid to the Patel and Shanabhog of Tillavagalu inam village and a small amount allotment of Rs.10-14-0 has been made to meet unforeseen items of expenditure that are likely to occur. The savings now effected according to the existing scale being only Rs.452-6-1,

the

the institution gains annually a sum of Rs.51-4-3 according to th revised scale, and the establishment will on the whole have been d with liberally.

6. As the katle lands that have been leased out have to be handed over to the successful bidders before the commencement of the monsoon and as arrangements have to be made for leasing out the remaining service lands, I request that early sanction may be accorded to the scale of expenditure now proposed.

The vernacular papers received with the Shimoga Sub-Divi Officer's yadi No.612 dated 21st January 1915 accompanies for reference and obliging return.

To

V.R. Thyagaraja Iyer, Esquire., M.A.,
Secretary to the Government of Mysore,

Sir,

Adverting to your docket No.1561 Muzrai 178-13-2 dated the 10th December 1913 calling for a copy of the late Muzrai Secretary's docket No.1747 dated the 20th September 1908 sanctioning an aggregate expenditure of Rs 719-2-0 for establishment and special services in the Sri Hucharayaswami temple at Shikarpur and requesting me to submit a revised scale of expenditure in the above temple I have the honor to forward herewith a copy of the Muzrai Secretary's docket No.1747 dated 20th September 1906 to the Comptroller to Government a copy of which was received in this office with the Secretary's memo No.1748 of the same date. The date 20th September 1908 quoted in para 3 of this office letter No.336/Muz.79 dated the 8th May 1913 appears to have been a mistake for 20th September 1906.

2. As called for in your letter under advertance I beg to enclose herein a clear and consolidated statement showing in detail the existing scale of income and expenditure and the scale now proposed to be adopted for establishment Nithakatle, Hechukatle and other miscellaneous items.

3. The income shown in the statement previously submitted from this office included only the net amount due to the temple after defraying the amount of Jodi etc payable to Government on the inam lands But the figures now furnished in the consolidated statement show the actual income derived before making any payment out of it.Besides this,

the right of cultivating the inam lands in Haliyur village which had been left in the possession and enjoyment of the archak on condition of his performing the 'Nithyakatle' services in the temple out of the income derived therefrom, was leased out by public auction for a period of ten years, the sale proceeds of Rs 222/- being credited to the funds of the temple. These account for the increase in the total income.

4. The items marked A. B. C. under the head 'Hetchukatle' were not mentioned in the proposed scale already submitted and have now been included in the scale as special services are being rendered in the temple on those occasions. A small allotment of Rs 6-3-0 has been made to meet the cost of these items.

5. As only the net amount was being credited in the previous years, to the funds of the institutions, after payments of the annual Government dues on the temple lands, no privision seems to have been made for the latter in the proposed scale previously submitted. As this procedure is contrary to the Government Proceedings No.2165-74/Muz. dated 28th January 1904 directing that all collections and receipts, from whatever source they may accrue must in the first instance be remitted to the Treasury for credit to the funds of the institution before making payments therefrom, due provision has now been made in the present proposed scale by alloting a sum of Rs 573-11-9 on account of Jodi and the cesses due to Government on the inam lands. This is marked as 'D' (vide item No.3 under special charges).

6. A sum of Rs 12-14-0 was provided for contingencies and petty repairs etc in the scale previously proposed. As this was found inadequate an annual expenditure of Rs 6-0-0 has been alloted towards contingencies and a lump sum of Rs 50/- for the annual petty repairs and to meet the cost of urforseen items of expenditure that are likely to occur. This item is marked F and has been brought under the head 'miscellaneous charges' in the scale.Thus the total expenditure of Rs 1653-5-9 in the present scale as against Rs 1030/- already proposed is accounted for.

7. The scale of expenditure now proposed provides for a total expenditure of Rs 1653-5-9 as against an estimated annual

income of Rs 2071-11-11 resulting in a saving to the institution of Rs 418-6-2 which will be available for repairs and improvements to the temple building and the car-house etc. It may also be added that there is every probability of securing a larger income to the temple if the right of cultivating for a period of five years, of all the remaining inam lands be sold by public auction.

8. The above proposals which have been made by the Amildar in consultation with the dharmadarsis of the temple appears to be fair and I have the honor to recommend that sanction may be accorded to the scale of expenditure now proposed to be adopted in the temple.

9. The enclosures to your letter under advertance and the entire file of vernacular correspondence received with the Shikarpur Taluk Amildar's ittilla No.118 dated the 25th August 1915 are herewith submitted for reference and obliging return.

I have the honor to be,
